by Friis & Moltke

## Mikkel Bahr, Friis & Moltke

Friis & Moltke is a modern design studio, which was founded in 1954 and has been among the leading Danish architectural firms .

Mikke Bahr is a partner of Friis & Moltke, and responsible for the design department.

The studios results are created through cooperation , both with clients and partners , and internally at design studios , with a sensible balance between function, aesthetics and economy - added a good dose of originality.

## DESIGN:

Friis & Motlke (2017)

## TECHNICAL SPECIFICATIONS:

Top: 22 mm mdf with laminat, linoleum, veneer or leather  
Base: 22 mm solid steel rod, powdercoated or chrome

## DESCRIPTION:

With the elegant design, ROD 3 is a perfect high table for informally meetings and working in groups. ROD 3 can be used in many ways. Use ROD 3 is ideal as an informal venue in a working place, or as a practical high table in schools and at universities. It can also stand as a high table at exhibitions.

As standard, ROD 3 has a 22-mm top in laminate, linoleum, veneer or leather and the base comes in standard as powdercoated black or white, but you can choose any colour you like.

ROD 3 has a very classic look, but do also soften up in every room with its organic and curvy forms.

ROD 3 is a contribution to a productive conversation, creative thoughts and well-deserved coffee breaks. When ROD 3 is combined with K2 High, you will get a timeless pair of furniture that also suits the decoration and environments in ten years.

## MEASUREMENTS:

Size: 600x1200/600x1800 mm  
Height: 1010 mm

## WARRANTY & SUSTAINABILITY:

Metal parts can be re-cycled. Leather is ECO, and formaldehyde-free. Wood and veneer are from close European woods.

There are 5 years warranty on manufacturing defects on all standard products (standard sizes, shapes, materials). The warranty does not cover fabric, leather, special sizes or customer own materials. Normal tear and wear is not covered by warranty.
